As stated in our [Diversity, Equity, Inclusion and Anti-Racism Commitments](#), CREA is committed to fostering a diverse, equitable, inclusive and anti-racist environment for all our employees, volunteers and members. We believe this ongoing commitment to diversity, equity, inclusion, and anti-racism (DEIA) is the right thing to do. It is also integral to the long-term success and sustainability of our Association and will result in far-reaching benefits for our membership and beyond.

One of our DEIA goals is to encourage the appointment and election of volunteers who broadly reflect the rich diversity of Canada and the membership we serve, to bring unique perspectives to the table, and collectively advance the Association's mission in more inclusive and innovative
